Dear Friends of the Chapel,

A most successful season has now drawn to a close. The Chapel was very well attended this year with a total attendance of over 600.

In addition to the excellent attendance at each of the scheduled services, the Chapel has been the scene of three weddings since last fall. During the week of last Thanksgiving, a couple from India were wed. On May 27, Denise Taber was wed to my son, Donald, and on August 5, Leslie Hopper became the bride of my son, Dwight.

The services committee have again done such a fine job in recruitment, I am sure you are pleased, as I am, that they have agreed to serve another year.

We reported to you last year that we were aware of a rotted timber under the center of the church and that our intention was to replace this timber during the past summer. Unhappily, when the work was begun following the close of our summer schedule, we found that the decay was much more extensive than we had supposed. It was necessary to suspend the work as we did not have sufficient funds in our treasury at that time to accomplish the job properly.

I have sincerely appreciated all of the support which we have received during the past year and it is the sincere hope of the trustees that the response to this, our annual appeal will allow us to complete the repairs early in the spring. Won't you please help? Thank you!

Very truly yours,

Duane L. Keeler, President
