Dear Friends of the Chapel,

Another season is passing all too quickly, and our attendance is again demonstrating that St. John's-on-the-Lake Chapel truly serves as a vital, living part of our summer community.

The services Committee has again done an excellent job.

If you are among those who have not yet been able to attend this year, I extend to you a special invitation; for I am certain that to do so will provide a most enjoyable and rewarding experience.

Vandals have once again desecrated the chapel. Five of the windows have been destroyed by bullets and rocks.

Your trustees and officers are proceeding with necessary repairs in full confidence that the friends of the chapel would want them to and will provide the necessary funds.

If you would like to take part in our annual appeal to help support these repairs, would you send donations to the treasurer, Mrs. Garald Kelley.

We pray that your generosity will be such that we can restore the chapel to the original condition.

Be assured that we will be truly grateful for whatever you can do to help.

Sincerely,

Duane L. Keeler, president
