Dear Friends of St. John's on The Lake :

The past year has been a busy and exciting one for St. John's. In addition to being blessed with near-capacity attendance at the regular Sunday services, the Chapel was the site of two weddings and a baptism.

We are pleased to report that boarding up the windows during the winter was successful in discouraging the off-season vandalism which has troubled us several times in the past. We are also pleased to report the replacement of a number of rotted timbers below the main floor, although a few more remain to be done before the work is complete.
