MR. AND MRS. DUANE KEELER
MRS. EDWARD KING

Dear Friends of St. John's-on-the Lake:

The exceptionally heavy snows of the past winter did eventually disappear, and the 1982 summer season is finally here! This is the 55th year that St. John's Chapel has served the lake community. Continuing our traditional summer schedule, 10 a.m. worship services are planned for each Sunday in July and August. A copy of the 1982 schedule of services is enclosed for your reference; we hope you will be able to join us often.

During the July 11 service, new hymnals received by the Chapel as a generous memorial gift will be dedicated. Rev. Hazelton, who is associated with the preparation of these hymnals, will be conducting this special service. We particularly invite you to join us for this time of dedication and celebration. Also, we encourage anyone who enjoys singing to participate in the Bear Island "Tabernacle" Choir later in the season (date to be announced). This now renowned choir has included up to half our congregation in the past, and is an excellent opportunity for fellowship.

Last year a work "day" (actually only several hours) scheduled for general cleaning and fix-up at the Chapel proved to be very successful, thanks to a number of volunteers. Already this spring, volunteers have assisted in opening and cleaning the Chapel, tuning the organ, and repairing and applying wood preservative to the dock. If you can donate a little time this summer to continue such cleaning and fix-up activities, or for some specific project that you would like to see accomplished for the Chapel, please volunteer! We also need and would welcome persons interested in participating as officers or committee members in the Chapel Association; just let us know of your interest. Such participation and support will assure the continued success of the St. John's ministry.

The Chapel is dependent for its maintenance and operation on offerings and gifts from friends, who have generously contributed in the past. If you are able to assist this year, we would appreciate you returning the enclosed card with your contribution. All contributions will be gratefully acknowledged.

We look forward to seeing you this summer.

Sincerely,

Bill Burdette
William A. Burdette,
President
