Please find the schedule of this year's services enclosed; in the spirit of ecumenical cooperation and fellowship, chapel services are offered in July and August. We are most grateful to Dr. Hopper for these arrangements; because it was difficult for him to coordinate the schedule, it was impossible to mail it to you any sooner. With the Lord's words, "Come to me, all whose work is hard, whose load is heavy; and I will give you relief" (Matthew 11: 28), we invite you to attend these summer services. We look forward to renew acquaintance with you and to worship with you in the chapel we dearly love. The fellowship times following some of our chapel services, the annual picnic and the date of our annual meeting will be announced verbally.

The second enclosed card is a reminder and request for your support of the Chapel Association; as always, in the 59th year of its operation and summer ministry, we are in need of gifts and contributions in order to maintain these services and our physical facilities. Your support is greatly appreciated.

This communication is being written on Bear Island but because of our trip to the west coast (to visit with Jocelyn, our younger daughter), I will not be able to meet you in the chapel personally. May your summer be safe and enjoyable! May these chapel services add new dimensions to your life!

Sincerely, *Sandor J. Farkas*
