June 22, 1992

Dear Friends,

Greetings! It's that time of year again when we turn our thoughts to summer vacations and St. Johns-on-the-Lake.

Services for the 1991 season were very well attended and contributions were generous. Our one large expenditure was the complete rebuilding of the docks. The labor was generously donated by Craig Falk and Truman Dayton.

Enclosed is the slate of visiting clergy for 1992. We are sure you will enjoy them as we have in the past.

Remember to place your card in a spot in your cottage where you and your guests will be reminded of the weekly morning worship.

We hope to see all of our many friends at this years services and thank all of you for your support--spiritually, morally and financially during these past five years of our presidency.

Both of us would like you to know that this will be our last year as co-presidents. Our life-styles have changed and we will not be returning to Bear Island until late June.

Sincerely,

Patti Jean Collins
